Because this year has been filled with so many and varied activities of Rockwall High School--from the winning of a State Championship in football to the voting of bonds for a new school--it would be extremely difficult, if not impossible, to cite any one individual as contributing most to the growth and progress of our school.

It is, therefore, with deep appreciation and great respect we dedicate this 1964 JACKET to all the patrons of Rockwall High School, especially to our parents. Your untiring support and encouragement has made this a most memorable year in our school's history.

Dedication

What Is School?

School is where the bus stops to deliver its load.

School is a combination of laughter, winning, tears, losing, living flesh and blood known as youth.

School is the happy moment when the football sweetheart and valentine queen are crowned.

School is a science lab full of "mad" scientists working on some new formula.

School is a place that is one moment quiet serenity until the ring of a bell brings shouting and laughing students pouring into the halls.

School is the teacher who tries to get us to learn things we somehow just never get around to learning.

School is a place where we go to escape from home; where we go to greet our friends.

School is a parent who expects an A from a C head and usually gets a C from an A head.

School is the principal who is always very interested in our reason for being absent the day before.

School is bonfires, pep rallies, the colors orange and white, and the Aggie War Hymn.

School is football, football, and still more football.

School is many things to us; but, it is mainly a place full of happy memories to us which we hope this yearbook will bring to mind in the years to come.

Jackets Taste Revenge in 40-0 Win Over Lake Highlands

JACKETS TOPPLE PLANO FROM TOP TEN

People came from at least three different counties to see this so-called District Decider between the Rockwall Yellow-jackets and the Plano Wildcats. There was a total crowd of over 5,000 spectators that came to see these two strong, fast teams in action.

One of District 11-AA's biggest games was captured by our Jackets as they ended the Wildcats' winning streak which began immediately after their last year's 44-7 defeat by Roackwall.

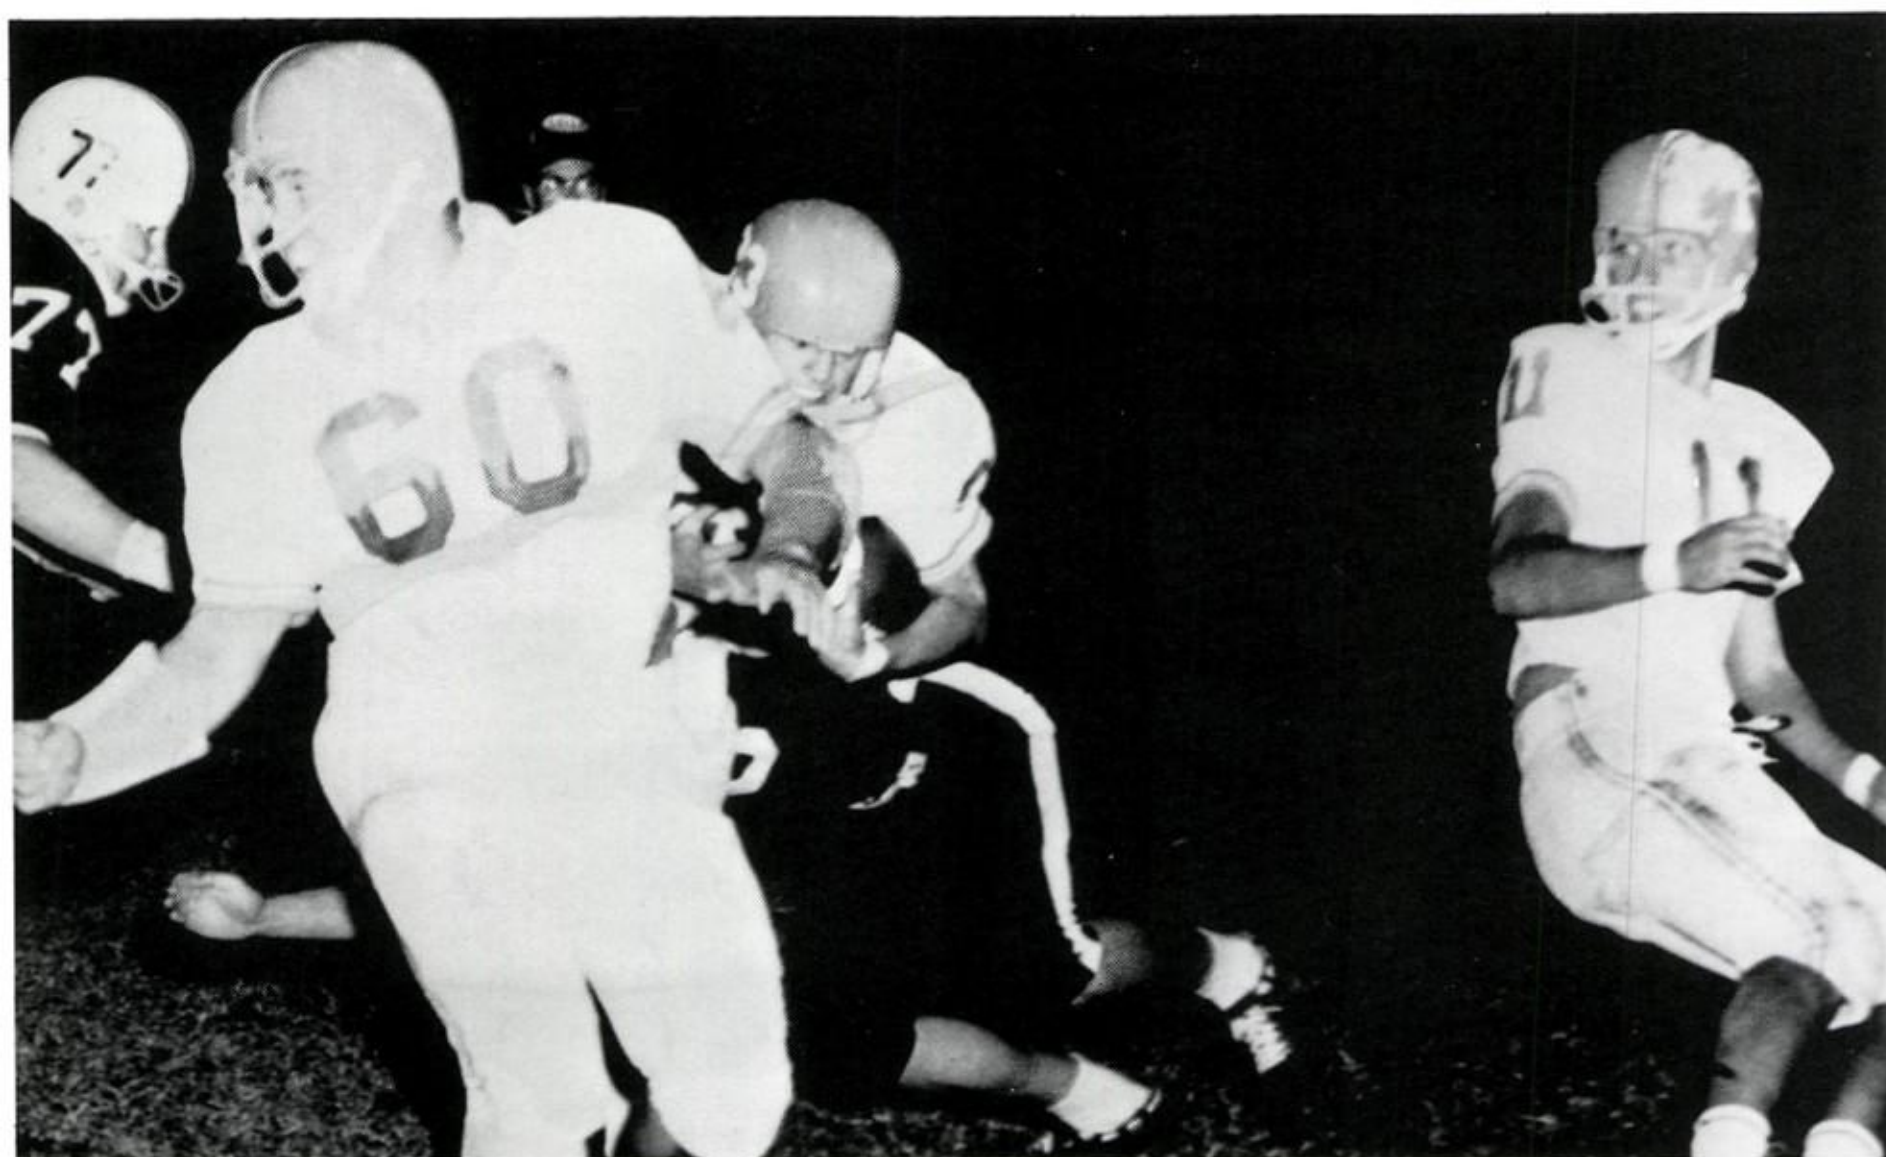

Jackie Anderson scored both touchdowns for Rockwall - once on a pass from Kenny Terry and once on a wide sweep. Plano was held scoreless until the final twenty-five seconds of the game when Mike Hall scored from 3 yards out. Every member of the two fine teams gave 100% on both offense and defense. The final score was:

ROCKWALL - 14

PLANO - 6

ROCKWALL THUMPS JACKSBORO

It has been said that "revenge is sweet." Rockwall's fighting Yellowjackets proved this in Arlington's stadium by pushing Jacksboro out of the race for the State AA Championship. The game was a return of the regional clash last year in which the tables were turned on the Jackets with a desperation pass in the final seconds of what had been a tied up ball game. However, instead of grabbing a last minute victory, our Jackets proved themselves superior from the kickoff. The first tally came from the Jackets' Kenny Terry throwing to Marc Noel for 34 yards just before half time. Chenault added the extra point making the halftime score 7-0.

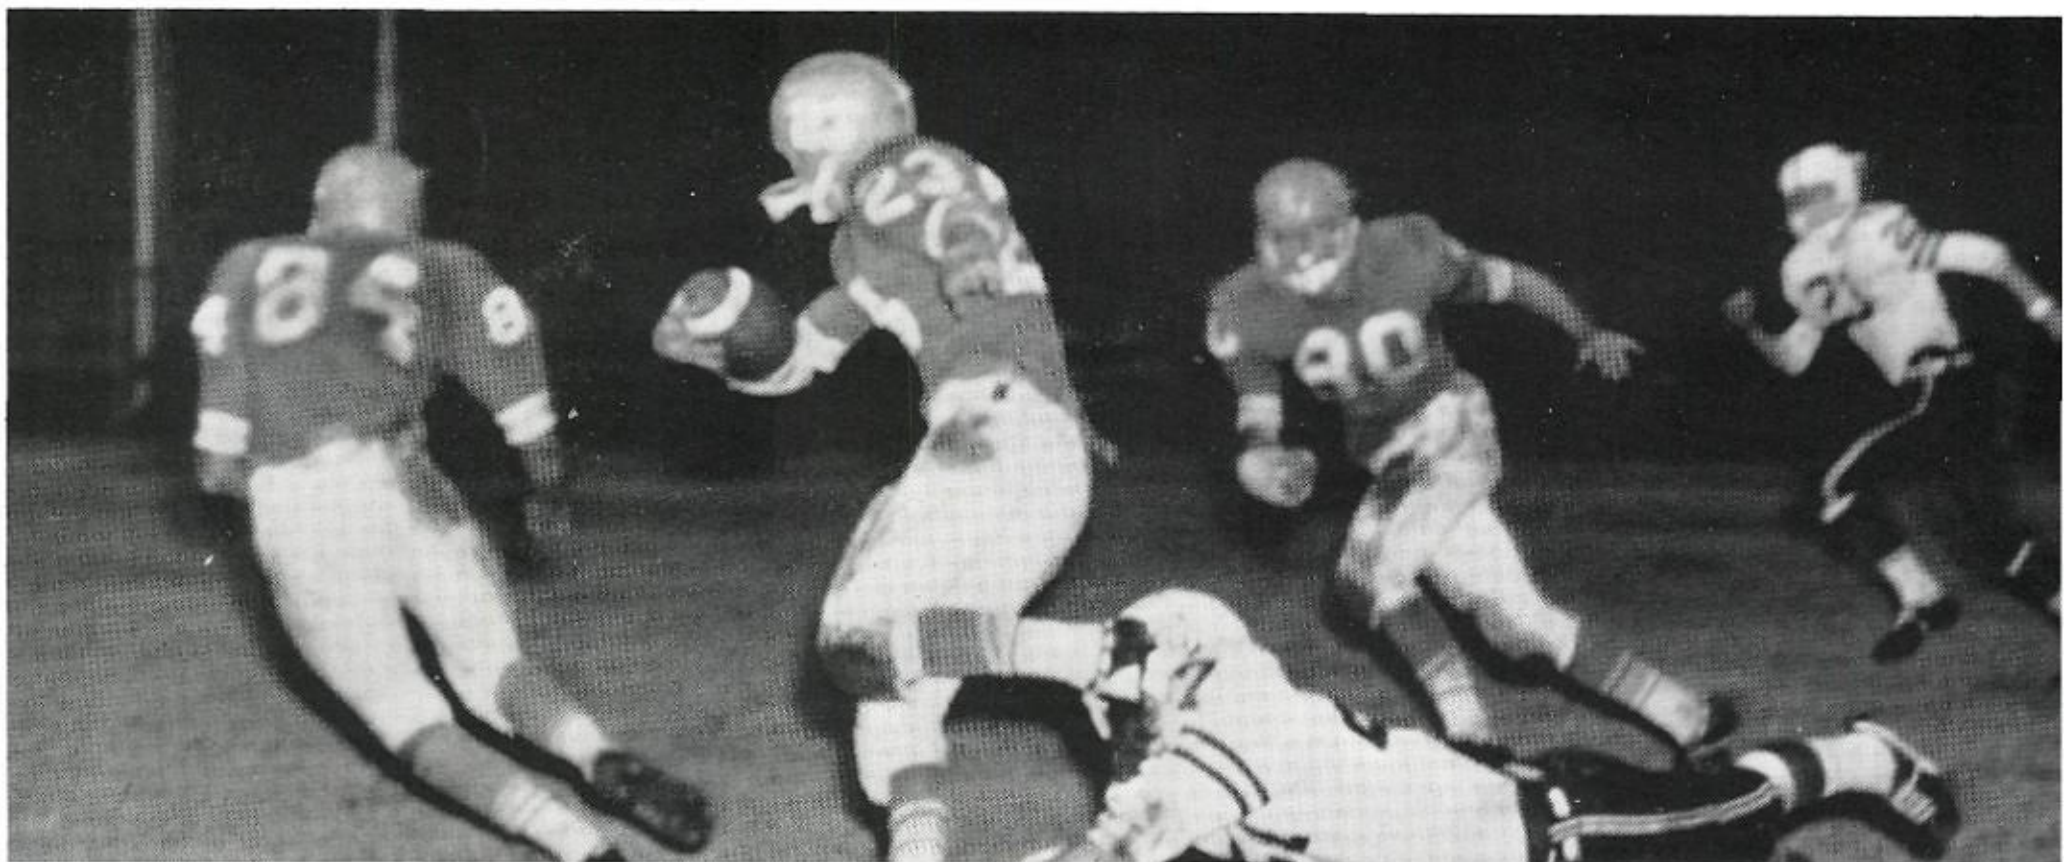

The second half was a time of action. Jacksboro came back to score once, and the Jackets pushed their score to 26. At the end of the game, the scoreboard read Rockwall 26, Jacksboro 6.

Marc Noel stumbles for another first down.

Gary Anderson gets set for a jolt.

Jackie Anderson side-steps a tackler and follows his blockers in for the score.

ROCKWALL VS. H. G. SPRUCE

In the 4th game of the year, Rockwall showed great improvement and a lot of spirit.

Jackie Anderson had a very good night, scoring 26 of the 33 points. His first score was from 15 yards out. His next was from 7 yards out, behind some fine blocking. Gary Anderson, who played an inspired game, scored from 40 yards out. Then Jackie scored again, after which Woody Barnes made a beautiful kick for the extra point. The Jackets final score was on a dazzling 80 yard run by Jackie Anderson. A fine effort was displayed by everyone.

Johnny Cullins, Freddy Morrow, and Ronnie Burton tell Santa what they want for Christmas--STATE CHAMPIONSHIP!

ROCKWALL VS. LEWISVILLE

Lewisville came into the game undefeated in district play, just as the Jackets. The game was marked by Rockwall's stout defense lead by Woody Barnes, Freddy Morrow, Johnny Cullins, Harold Chenault, and Dwight Braswell. The Jacket offense started slowly in the first half by scoring only twice, both times by Marc Noel. Our offense, headed by quarterback Kenny Terry, was quite a bit classier in the second half as we rolled up 20 more points to bring the final score to 36-0.

Head Hunter

THE HEAD HUNTER

Football is a game of effort, courage, determination, hard work, and more often than not, pain. Any individual who chooses to play the game accepts these when he reports for practice. Some of these same individuals, however, can not easily accept this necessary formula for winning football every day of every week of workouts. It was with these thoughts in mind that the head hunter was conceived, to give those persons who disciplined themselves to these necessary sacrifices for the achievement of their ultimate goal.

The head hunter is given only to those people who are willing to give 100% plus at all times. It is a sign of an individual's accomplishments that are not measured by his talents alone. Each boy who earned a head hunter proved not only to himself, but to his peers, that he was willing to sacrifice whatever was necessary for the success of the team. Effort on the playing field, during practice, and the attitude toward the team's goal could be judged by the number of head hunters that were given to the 1963 AA STATE CHAMPS.

People receiving this award for 1963 were the following: Gary Anderson, Kenny Terry, Marc Noel, Jackie Anderson, Mike McCallum, Billy Zachary, M. F. Fannin, Steve Spafford, Woody Barnes, Tom Dooley, George Vaught, Harold Chenault, Randy Sparks, Dwight Braswell, Larry Harris, Steve Durham, Randy Lemons, Freddy Morrow, and Johnny Cullins.

GARY THRELKELD

Gary Threlkeld, affectionately known as "Thrinkle," moved to Rockwall from Lubbock in June of 1962 and entered R.H.S. as a junior.

While in Rockwall, Gary has participated in F.F.A. and was a member of the cast for the senior play, "Bolts and Nuts." He is interested in such activities as boating and skiing. After graduation, he plans to attend Tyler Junior College.

SUZANNE VERNON

Suzanne Vernon has been a lifetime resident of Rockwall, thus has spent all of her school days here.

Suzanne has been a member of the band for eight years and served on the band council for three years. Her senior year, she was elected "Miss Band." Her freshman year, she was chosen "Miss Initiation" of F.H.A., and she was elected Most Fun her junior and senior years. Suzanne was a cast member of the junior play, "Ready Made Family."

After graduation, she plans to attend North Texas State.

The Beatles Strike Again!

Beatles Sherry, Sandra, Suzanne, Linda, Gail, and Melba . . . Singing??? Well, I guess you could call it that . . . more fun than music.

It looks as if Beatle Sherry Faries ran into the can of Raid . . . or maybe another Beatle?

Beatles Tim and James sat out the game on the bench . . . it seems that the referee wouldn't let them play.

These two Seniors don't seem to be bothered a bit by the invasion of the Beatles. Dwight and Suzanne are two Seniors that aren't bothered too much by anything!

Sad after a loss?? Of course not. These Beatles are never sad.

Dear Advertisers:

Enclosed please find our immeasurable gratitude for your support in making our 1964 JACKET possible. Without your assistance, our yearbook would have reached no farther than the planning stage.

Yearbook advertising, unlike any other, is perpetual in that it will never be discarded as the yearbook is kept as a treasury of memories. Your advertisement will be read year after year so that we will remember you not only for this year's support, but in the years to come as we leaf through the book, remembering these, the golden days of our youth.

Your support demonstrates an interest in the educational system of today and a strong faith in today's youth for tomorrow's service.

Sincerely yours,
